Councillor Cliffe stated that complaints had been received about the pile of soil on the playing field. Councillor Lacey believed that Peter Nottage required the soil and Councillor Dhillon will raise the issue at the next VHMC meeting.

C. Dhillon

Councillor Dhillon advised that an EGM of the VHMC had been arranged for 25th April and a Barn Dance on 13th March. He stated that Peter Nottage was preparing a presentation for a kitchen refurbishment at a cost of £12,000. The Clerk was concerned that the £1,000, agreed with SCC, had to be released by the end of March or it may be lost. Councillor Dhillon will raise that at the next meeting.

C. Dhillon

Councillor Wesley was concerned with the gullies down the hill, which were completely blocked. It was agreed that Mr. Watkins would attempt to free them but if he failed, then the Clerk would contact Clarence.

Clerk 18/02

Councillor Elverson advised that he was communicating with Mr. Nottage on web sites and e-mail addresses. He felt that the size of the buses running through the Village, was inappropriate. They were far too large for the narrow lanes and probably not financially viable. The Clerk will speak to SCC.

Clerk 18/02

The Chairman reported that the Chairman of the VHMC had measured the ground for potential allotment space and forwarded the information to the Clerk. The Councillors agreed that, as it did not own the land in question, it was not in a position to progress the provision of allotments but were in favour of the principal and would do anything in their power to help the VHMC. .
