Councillor Mason reported that the grit box at the bottom of Blakeways Close required replenishing.

Mrs. Mason was extremely pleased with the very successful BKV presentation night. The Chairman agreed and asked the Clerk to write to Mat Ellis, County Councillor Matthew Ellis, the BKV committee and the Police and thank them all for their contribution for making it such an excellent occasion. The Chairman advised that County Councillor M. Ellis had offered to pay the cost of the village sign and Councillor Arnold had made a generous donation. She reported that County Councillor Ellis had brought the repair of the bridge over the River Mease to early next year.

### **9**     Rowley Close hedge

The PC were concerned that the resident of number 4 Rowley Close had not been consulted by the other residents and thought that such contact should be made before any other action was taken. If number 4 agreed with the proposal then Councillor Wesley proposed that a letter be sent to all residents, after vetting by SPCA, agreeing in principal for them to manage the hedge at a reasonable height and remove all trimmings, for a period of 12 months. The PC would have no responsibility and the residents would undertake the work at entirely their own risk.

### **10**    Clerk's financial reports

The Clerk advised that the current balance at the Bank was £7,440.13:

## **11 Investment**

The sum of £106,343.68 would mature on 10 October and the Clerk proposed that it be reinvested for a further month including interest of £22.84 He had been asked to investigate the possibility of investing a sum that would attract a higher rate of interest. He reported that most banks and building societies were only interested in personal accounts. However, he had sourced Santander (Southampton branch) which would accept the money at a net rate of 2.56%. After some discussion it was unanimously agreed to invest £85,000 for one year and then review.
